Commissioner for Patents

The amendment filed 9/7/2004 is improper for failing to provide the proper indicators. For example, Claim 1, line 7 now refers to a range "E5" - this is a change that is not reflected by underlining to show it is newly added. This is NOT deemed to be the only error. This is merely AN error that examiner readily saw. The burden is upon applicant to review the entire amendment to make sure that all changes are correctly indicated. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
